

## MRS. CRAVER IS RE-ELECTED BY CIVIC COUNCIL

Mrs. Forrest L. Craver was re-elected president of the Women's Civic Council at a meeting at the YWCA on Friday evening.

Mrs. Edith Bushman was elected vice president and Miss Anne Faber, secretary-treasurer, replacing Mrs. Richard Naugle and Mrs. Elizabeth Hennig, whose terms had expired. Mrs. Naugle, Miss Louise Ramer and Mrs. Guyon E. Buehler constituted the Nominating Committee.

Mrs. Craver presided at the meeting with 19 women's groups represented. Mrs. Hennig gave the annual treasurer's report. Mrs. E. F. Strausbaugh and Mrs. Charles Evans were appointed as auditors.

**New Representatives**

New representatives to the Council were reported as follows: Dorsey Stanton Legion Auxiliary, Mrs. John Jones replacing Mrs. Lloyd Washington; VFW Auxiliary, Mrs. Allen Sprinkle replacing Mrs. Mary Fridinger; and School Board, Mrs. Jennings Collins replacing Mrs. Sydney Poppay.

The president's annual report disclosed that one new group had been added during the year, the Pennsylvania Catholic Beneficial League, which brings the membership to 25 women's groups. Lectures were given on Child Welfare, Public Assistance and Problems of our Youth. The Council was interested during the year in having locks removed from junked refrigerators and in regulation of industrial smoke and soot. They visited the new sewage disposal plant upon its completion and sat in on a number of meetings of town council in order to learn about borough problems. The president and other representatives of the Council talked and met with other groups in the community during the year.

**3 Named To Board**

Mrs. Craver appointed Mrs. Charles L. Lauver as a member of the Board of Directors and the Council elected Mrs. Collins. The new board will meet and elect another member to the board.

The terms of Mrs. Hennig and Mrs. Ida Roth as members-at-large having expired, Mrs. George P. Eberhart and Mrs. Donald E. Myers were elected to two-year terms. Miss Faber was appointed to have charge of publicity during the year.

The terms of Mrs. Craver, Mrs. Roth and Mrs. Buehler on the Associated Civic and Service Group having expired, the president appointed Mrs. John S. Rice, Miss Faber and Mrs. Eberhart to serve for a year. Mrs. Bushman, Mrs. George Olinger and Mrs. Pearl Wiser were appointed to serve as a committee to arrange visits to Town Council. The Constitutional Study Committee was continued from last year. It includes Miss Ramer, Mrs. Bushman, Mrs. Buehler, Mrs. Robert Fortenbaugh and Mrs. Rice.

**List Coming Events**

An invitation was received from a group interested in retarded children to attend a panel discussion at the YWCA on January 26. Mrs. Craver was appointed to represent the Council at the Junior Chamber of Commerce dinner next week.

The next meeting will be held on February 19 with a business meeting at 8 o'clock and at 8:30 the Rev. Herman Stuenkel will speak on "Mentally Retarded Children." Members may invite guests to the lecture. At the March meeting Mrs. Donald Myers will speak on "The Needs of our Senior Citizens."

## POSA PROPERTY WILL BE SOLD; ORGANIZED IN '89

One of Gettysburg's older organizations, Washington Camp No. 414, POS of A., is now down to a membership of only "about 30" and will sell its home in the first block of Chambersburg St.

Jesse E. Snyder, an officer for many years in the POS of A. and past commander of the Sons of Union Veterans, revealed the plans of Washington Camp No. 414 Patriotic Order of Sons of America to sell its property at Friday night's meeting of Gettysburg Camp 112, Sons of Union Veterans, when he asked permission for the POS of A. to meet in the GAR rooms.

He said the Washington Camp now has an attendance of only two or three at its meetings and a total membership of only about 30. Because of that, he said, the POS of A. plans to sell its property and the sale will be completed within the near future.

**Organized in 1889**

Permission was granted by the Sons of Veterans for the POS of A. to hold its meetings in the future in the GAR post rooms on E. Middle St.

Washington Camp No. 414 was instituted here March 7, 1889 with 55 charter members. Forty-five of that number were initiated the night the camp was formally instituted at a meeting in the McClellan Opera House. Its membership in later years numbered in the hundreds and at one time it was one of the largest lodges in the community.

New officers of the Sons of Union Veterans were installed at Friday night's meeting. Past Commander Snyder was in charge of the installation.

**New SUV Officers**

The new officers include Wilbur L. Nett, commander; James I. Rose, senior vice commander; Oscar B. Stevens, junior vice commander; Harry G. Deatrick, patriotic instructor; Jesse E. Snyder, Harry G. Deatrick, and Harry E. Koch, camp council; T. J. Weinbrenner, chaplain; David A. Tawney, guide; Luther A. Stevens, camp bearer and Otis Walter, guard.

A past commanders' badge was presented to Chester S. Schriver. (Continued On Page 2)

## Mother Of Local Woman Dies Friday

Mrs. Jacob Heikkinen, Springs Ave., has been called to New Castle, Pa., by the death there Friday morning of her mother, Mrs. Charles Koski. Death followed a long illness. Mrs. Koski had been an invalid for some time.

Joined here by two sisters, Mrs. Helen Oud of Morrisville, Pa., and Mrs. Alice Lehman of Philadelphia, Mrs. Heikkinen left this morning for New Castle. Services will be held there on Monday. Mrs. Heikkinen will return home next week.

## April Deadline For Peaceful Unification Of Korea Is Set By Rhee; Issues New Warning

**By WILLIAM C. BARNARD**

SEOUL (AP)—President Syngman Rhee today set an April deadline for the peaceful unification of Korea and warned that "We will not sit back and wait until we are sold out."

An official government spokesman later issued a statement modifying the aging President's warning.

Rhee told a news conference that 180 days after the start of preliminary Korean peace talks last Oct. 26 South Korea will be "free to take our own action—good, bad or indifferent."

### 180-Day Warning

This would make the deadline April 23.

Rhee reiterated the 180-day warning three times during the news

## MISS MILLER, E. R. M'ELWAIN ARE WED TODAY

Miss Carolyn Joyce Miller, daughter of Mr. and Mrs. Paul N. Miller, R. 5, became the bride of Ernest Russell McElwain, son of Mr. and Mrs. John R. McElwain, Chambersburg, at a nuptial mass celebrated at 10 o'clock this morning in St. Francis Xavier Church. Rev. Fr. Anthony P. Kane, pastor, performed the single-ring ceremony before an altar banked with mixed flowers.

Mrs. George E. Eberhart, organist, played wedding music by Carlo Rossini.

The bride, who was given in marriage by her father, wore a floor-

## Engagements

### Hess-Groft

Mr. and Mrs. Charles I. Groft, New Oxford, announce the engagement of their daughter, Barbara L., to Edgar E. Hess, son of Mr. and Mrs. Edgar E. Hess Sr., Hanover. Miss Groft is employed by the Middleburg Manufacturing Co. and Hess is employed by the Shipley Ordnance Co. No date has been set for the wedding.

### Knott-Eyler

Mr. and Mrs. Lloyd Eyler, Thurmont, announce the engagement of their daughter, Mary Doris, to Merle Knott, son of Mr. and Mrs. Charles Knott, of near Mount St. Mary's College. No date has been set for the wedding.

### FEATURED ORGANIST

Prof. William S. Sterbinsky, Emmitsburg, was the featured organist at the ninth annual charter night held by the Union Bridge Lions Club Tuesday evening at Basehart's Restaurant, Littlestown. For the dancing following the banquet, Prof. Sterbinsky presided at the Hammond electric organ.

### TO BE ON RADIO

Rev. Thomas Slenker, former pastor of the Orrtanna UB Church, now at Quincy Orphanage, will conduct devotions over a Chambersburg radio station Monday morning at 8:45 o'clock.

## \$50,000 BLAZE AT MONT ALTO

Firemen fought for several hours Friday night to check flames which destroyed a wooden top story of a concrete coal tipple at Mont Alto Park causing damage totaling more than \$50,000 to the building and machinery.

Elwood Slater, maintenance manager of the Mont Alto Sanatorium which operates the coal storage and unloading station at the park, made the estimate.

Slater said a fire of the same nature occurred 20 years ago during the winter of 1934. In 1947, the building was fitted throughout with new machinery, chief casualty of the blaze.

Firemen from the Mont Alto volunteer company responded to the call. Power in the area was cut for almost one hour when three nearby high tension wires were threatened by the towering flames.

## HIGHLAND TWP. RECEIPTS WERE 96 CENTS SHORT

Highland Twp. spent 96 cents more than its income during 1953, according to the annual auditors' report filed with the county clerk of courts. The financial statement showed expenses in 1953 to be \$5,632.21 against receipts which amounted to \$5,631.25—a deficit of 96 cents.

Revenue receipts brought the township \$984.56 in real estate and \$52.69 in occupation taxes, plus \$191.29 in back taxes. Miscellaneous receipts included \$2,217.88 for state aid; \$818.47 for county aid, and \$846.20 state matching fund. The balance at the beginning of the year was \$508.05.

### Spent \$4,899 On Roads

Expenditures listed \$256.71 for general government, divided among \$108 for supervisors' attendance at monthly meetings; \$60 compensation of the secretary-treasurer, and \$42.36 for compensation of the tax collector.

Highland spent \$4,899.10 on its highways and bridges. This figure included \$2,088.28 for reconstruction of roads; \$837.75 for rentals; \$704.02 for construction materials; \$533.60 maintenance of roads and bridges; \$434.45 labor, and \$300 for the reconstruction of bridges. The township maintained 16.7 miles of earth roads and three wooden bridges.

Resources were listed as \$118.93 cash on hand in the general township fund; \$218.83 from the state fund account and \$143.66 due from (Continued on Page 3)

## FR. YEAGER'S FATHER DIES

George A. Yeager, 83, father of Rev. Fr. Louis J. Yeager, pastor of St. Ignatius Loyola Catholic Church, Buchanan Valley, died Friday afternoon at his home in Carlisle.

A son of the late Leonard and Mary E. Yeager, he was born Aug. 3, 1870. He was a letter carrier connected with the Carlisle Post Office in which capacity he served for 4 1/2 years.

He was married to the former Mary C. Dorner, and they were the first couple to be married in the new St. Patrick's Church building at Carlisle, in November, 1894. Mr. Yeager was a prominent member of St. Patrick's Church.

### Was on Town Council

He was president of the St. Vincent de Paul Conference, and a member of the Holy Name Society and of the Blessed Virgin Mary Sodality.

He was a trustee of the Old Todd Hospital and a member of the board of the Carlisle Hospital. He was a member of Carlisle Borough Council for eight years, and a member of the Sons of Union Veterans, and for 20 years was secretary of the Carlisle Aerie of the Fraternal Order of Eagles.

### Mass at St. Patrick's

He is survived by five sons, Father Louis Yeager; Joseph, at home; Laurence, of Carlisle; H. George, of Ephrata; and Mark, of Camp Hill; four daughters, Miss Mary Yeager, a teacher at Carlisle High School, and Miss Frances Yeager, both at home; Mrs. David McCullough, Carlisle; and Miss Gertrude Yeager, Fort Monmouth, New Jersey.

Requiem mass in St. Patrick's Church Carlisle on Tuesday morning at 10:30 o'clock. Father Louis Yeager will offer the mass and Monsignor Schmidt will preach the sermon. Burial will be in the cemetery adjoining the church. Friends may call Monday evening at the funeral home at 169 W. High St., Carlisle, where the Rosary will be recited at 8 o'clock.

### REPORTS ACCIDENT

James Kenna, 43 W. Broadway, reported to borough police Friday afternoon that another vehicle had struck his parked car, damaging the door, and had continued on without stopping. The accident apparently happened during the early hours of the morning, he said.

## BIRTHS NEAR '52 PEAK HERE DURING 1953

The Gettysburg area almost equalled the all-time peak in number of births during 1953, coming within three of the record of 952 set in 1952.

While the number of births showed a very slight decline, 949 for 1953 as compared to 952 for the previous year—which was the largest number of children ever born in any one year in this area—the number of deaths in 1953 was 255, an increase of 49 over the 206 record in 1952.

Births in 1953 continued the high level that has been noted the past few years. In 1951 there were 905 births.

### 16,091 Births Since '06

Since January 1, 1906, when the office of registrar of vital statistics was opened, there have been 16,091 births and 7,453 deaths in the local district, which comprises Gettysburg and Cumberland, Straban, Freedom and Highland Townships.

Males outnumbered the females in both the births and deaths column of the registrar of vital statistics summary. There were 485 male and 464 female births in 1953 and 136 male and 119 female deaths.

Gettysburg continues to be the site of the overwhelming majority of births—and deaths. Registrar of Vital Statistics Ralph C. Geiselman explains that the place in which births and deaths actually occur is given rather than the home address of the parents, or the individual who died. Thus Gettysburg's hospital accounts for the large number of births and deaths accredited to the community.

The record shows 939 of the births occurring in Gettysburg, 480 male and 459 female. There were (Continued on Page 3)

The Program Committee is in charge of this function. Mrs. Guyon E. Buehler, Mrs. C. T. Ziegler, Mrs. Brenda Walker and Miss Evelyn Altoff, Littlestown Members should report to Mrs. Buehler before Thursday, January 21, whether they will attend.

## BAD ROADS KEEP SOME FARMERS FROM MARKET

The snow and bad roads cut attendance at the Farmers Market this morning, with only six farmers on hand to supply a less than normal quota of customers.

Prices remained about the same, with slight changes noted in pork prices. Quantities of all supplies were less than last week, with bad weather cutting down the time farmers had for preparation for the mart.

Smoked sausage was up to 70 cents a pound, while fresh sausage continued at the 65 cents per pound level. Backbone continued at 60 cents a pound, with spare ribs up to 55 cents. Pork loin continued at \$1.10 a pound. Shoulder roasts were 65 cents a pound; scrapple, 25 cents; lard, two pounds for 35 cents; hog maws, 60 cents; pudding, 50 cents a pound, and hog liver, 50 cents a pound.

### Other Produce Prices

Eggs were 60 to 65 cents a dozen for large whites or browns, 55 for mediums.

Dressed chicken was continued at 60 cents a pound, a standard price throughout the winter so far. Apples also continued around the \$2 per half bushel mark, with variations noted for quality. That translated into 35 cents for two quart baskets and 50 to 55 cents a half peck.

Other prices remained unchanged. Onions were 15 and 20 cents a box. (Continued On Page 2)

## "The Desert Fox," Reported To Have Visited Field Here, May Never Have Been In U.S.

Did Field Marshal Erwin Johannes Eugen Rommel, the crafty German "Desert Fox," ever visit Gettysburg to study the tactical maneuvers of Civil War officers?

This question, prompted by an article appearing originally in Newsweek magazine, March 1, 1948, and more recently, the subject of an article by Monroe F. Cockrell, member of the Civil War Round Table of Chicago, has again touched off a debate raging ever since Rommel's fabulous World War II exploits on the sands of North Africa.

While there are Civil War students who believe that he "could" have visited many of the National Battlefield sites to analyze the tactics of Andrew Jackson, Robert E. Lee, and Ulysses S. Grant, evidence that he did "not" now swings the balance toward the negative view.

In the pamphlet "After Sundown," Cockrell, who visited Gettysburg two years ago with the Civil War Round Table of Chicago, goes to great lengths to challenge statements that the German visited the United States on Adolph Hitler's orders to find the "why" of the successes of Confederate commanders.

### Mistaken for Another

Most logical of Cockrell's conclusions was that the general might have been mistaken for Friedrich von Boetticher, German military attaché from 1933 to 1941, a man possessed of similar physical proportion and close facial characteristics of Rommel.

### In a letter to Cockrell, dated January 30, 1952, Boetticher said, "I share the belief that Rommel was mistaken for me. I made many trips to Gettysburg and Virginia, and to other battlefields and important places of the War between the States. Furthermore, Rommel has never been in the United States."

### Additional evidence that Rommel never visited the U. S. appeared in a letter to Cockrell by Desmond Young, author of "Rommel, The Desert Fox," which was published the same month as the Newsweek article.

### Denies Rommel's Visit

"There is no truth in the story of Rommel's visit to the United States." (Continued on Page 4)

## 16 CHOSEN FOR CHORUS LINE IN EXCHANGE SHOW

Sixteen Gettysburg High School girls Friday afternoon were selected as "Rockettes of 1954" in the chorus line for the comedy-musical, "You Can't Beat Fun," a benefit show to be staged by the Gettysburg Exchange Club, February 3 and 4, in the high school auditorium.

Announcement of the chorus ensemble was made this morning by Mrs. Augusta Phelps Munro, a director of the Empire Producing Company, shortly after her arrival here from New York.

Led by Captain Barbara Weishaar, the Rockettes include Cherie Lott, Yvonne Settle, JoAnn Sherman, Judy Crowl, Carolyn Little, Norma Oates, Pat Breighner, Billie Mae Shealer, Sandy Wolff, Dolores Burgher, Shirley Temple, Pam Dulaney, Vicki Maust, Doris Witherow, and Pat Goldsmith. Eleven of this party performed last year in the Exchanges' first annual home talent show, "Shooting Stars," also directed by Mrs. Munro.

### List Committees

Following a meeting with Exchange President Robert P. Snyder and Clyde Williams, chairman of the casting committee, Mrs. Munro listed the addition of several committees to the show staff and outlined the general theme of the production.

Chairmen of the various committees include: Williams, general chairman; John J. Slentz, property; (Continued on Page 2)

### HOSPITAL REPORT

Admissions: Mrs. Ray Smith, New Oxford; Mrs. Willie Burcham, Seven Stars; Mrs. Harris Wagaman, New Oxford; Mrs. Elwood Dietz, East Orange, N. J.; Mrs. James Oyler, Gettysburg R. 3; Elsworth Sponseller, Gettysburg R. 5, and Mrs. Paul Waybright, Gettysburg R. 1.

Discharges: James Boyle, Fairfield; Charles F. Redding, Gettysburg R. 3; Mrs. Edward Mehning and infant son, York; Mrs. Craig Hauser, Emmitsburg; Mrs. Thomas Morrison and infant son, Taneytown; Richard Myers, Dillsburg; John Wondens, Franklintown, and Mrs. Charles Riley, Littlestown.

Dr. Clarence L. S. Raby, a graduate of Gettysburg College with the class of 1909, has been appointed to the position of Associate for Development of Gettysburg College.

At its December meeting, the college board of trustees announced that a campaign will be launched this year to raise \$1,000,000, most of which will be used in the college's building program. Dr. Raby, active in Gettysburg alumni affairs since his graduation, will spearhead that campaign and will have his office on the college campus.

Dr. Walter C. Langsam, president of Gettysburg College and chairman of the executive fundraising committee, has announced that Dr. Raby will be assisted in his duties by Mrs. Lester O. Johnson, wife of Prof. Johnson of the Education Department at the college.

### To Resign From Board

Dr. Raby presently is a member of the college Board of Trustees, and is associated with the Philadelphia school system as assistant to the associate superintendent in the Philadelphia department of superintendence. He will resign from both positions upon assuming his new duties here.

Dr. Raby, who now resides in Frankford, Philadelphia, is a native of Phoenixville, Pa., where he attended public schools. He received his master of arts degree from the University of Pennsylvania in 1931 and an honorary doctorate from Gettysburg in 1940. He has done graduate work at Temple University.

### Active Alumnae, Churchman

Dr. Raby has served as president of the College Alumni Association, has been a member of the executive committee of the Alumni Council since 1937, and since 1942 has served as board and alumni representative to the Gettysburg College Advisory Committee on Athletics. Dr. Raby served as province chief of Alpha Tau Omega social fraternity from 1922 until 1931, and as ritual counselor from 1938 to the present time. He was one of the leaders in organizing the Gettysburg College Alumni Interfraternity Conference and twice has served as president of that group.

Dr. Raby has been associated with Philadelphia area schools since 1909 when he began teaching and coaching at Perkiomen Prep. He taught at South Philadelphia High School for Boys and at Frankford High School. He was organization chairman of Philadelphia summer school from 1930 until 1948 and has been active in Philadelphia and Pennsylvania church affairs, serving four terms as a member of the Board of Christian Education (Ministerium of Pennsylvania), and

## OVER 540,000 SEE FARM SHOW IN FIVE DAYS

HARRISBURG (AP)—The last of the championship steers and sheep bought at auction during the Pennsylvania Farm Show were loaded into trucks today in the final spurt of activity at the five-day event.

The show closed yesterday after more than 540,000 visitors had inspected exhibits at the indoor agricultural extravaganza.

Heavy snows and chill winds were blamed by farm show commissioners for cutting the total attendance some 110,000 from last year's mark of an estimated 650,000.

State Agriculture Secy. Miles Horst summed the five-day event up saying:

"From the standpoint of color, arrangement and attractiveness, the show this year was the best ever."

### 5,000 See Auction

A crowd of about 5,000 buyers and spectators attended the auction yesterday of hundreds of head of championship cattle and sheep in the main arena of the 13-acre exposition site.

A total of 117 baby beavers weighing 126.45 pounds brought \$43,587.02 at auction. The average price per pound paid for the beef including grand and reserve champions was 34.46 cents and 33.35 cents without the champions. Last year the average price per pound was 40.77 and 39.8 per pound.

A top price of \$1.15, 9 cents above last year, was paid for 1,005 pounds of grand championship 4-H baby beef owned by Jane Greiner.

## MEXICO ACTS IN RETALIATION

MEXICO CITY (AP)—Mexico closed its borders today to farm workers seeking jobs in the southwestern United States. The action was in retaliation against a U. S. "stop gap" plan for admitting the workers.

In Washington, U. S. State Department sources said that despite the sharp Mexican opposition, the United States would go ahead with its new temporary plan. It calls for the Labor Department to set up stations on the U. S. side of the border for registration and examination of workers.

Under a U. S.-Mexican agreement which expired at midnight last night, the Mexican government did the recruiting in the interior and sent the laborers to the border for admission.

The United States view was that it will be up to Mexico to patrol its lengthy border if it wants to prevent all crossings, and if the action results in a cutting down of "wetbacks" it will be all to the good.

"Wetbacks" are workers who slip into the country without registering and who work without proper permits. The United States said it will redouble its efforts to halt the flow of "wetbacks"—so called because many swim across the Rio Grande River border. U. S. patrols sent more than a million back last year, but about twice that number are believed to have eluded authorities.

Members of Friday's panel were Dr. Robert Fortenbaugh, head of the Department of History at Gettysburg College, and Hugh C. McIlhenny, assistant editor of The Gettysburg Times. Dr. Fortenbaugh spoke of the role of education in equipping citizens to analyze and evaluate current events and arrive at an "informed private opinion."

Mrs. McIlhenny discussed news media, particularly newspapers, as contributors to the formation of public opinion.

The program was arranged by Mrs. J. Albert Blackburn, chairman of the Public Affairs committee of the YWCA.

## Wedding

Wagaman-Miller

Miss Janet E. Miller, daughter of Mr. and Mrs. Woodrow W. Miller, Hanover, was married last Saturday at 2:30 p.m. to Philip P. Wagaman, son of Philip L. Wagaman, Hanover R. 4, and the late Edith Smith Wagaman. The double-ring ceremony was performed in Sacred Heart Catholic Church, Conewago, by the Rev. John P. Bolin, pastor. Mr. and Mrs. Francis Z. Wagaman, York, brother and sister-in-law of the bridegroom, attended the couple. Following a reception at the home of Victor Wagaman, York, brother of the bridegroom, the newlyweds left for Niagara Falls. Mrs. Wagaman graduated from Hanover High School with the class of 1953 and had been employed as a secretary for Lana Lobell Inc. Her husband is employed as a painter by R. S. Noonan, York. They will reside in York.

### DISTINGUISHED HITCHHIKER

**BISBEE, Ariz.** — Mr. and Mrs. Salin Dominguez were driving to town to hear Sen. Goldwater (R-Ariz.) speak when they saw a hitchhiker who was the "spittin' image" of the senator.

They stopped, and Goldwater climbed in. The senator explained he had landed his plane at the wrong airport, missing the reception committee.

## WOMEN PREFER GAYER PASTEL DRAPE SHADES

BY VIVIAN BROWN  
AP Newsfeatures Writer

Pastels will go to the window in a wide variety of draperies in the current selection of fabrics. Pink in its clearest ice-cream hues, not yellowed or greyed, is one of the chosen colors.

Ground colors such as white and cream help emphasize the lively contrast of a design. Blues such as the deep penetrating Bristol Blue, aqua, sky or the blue of the robin's egg are popular. All shades of yellow from pale lemon to deep mustard are used alone or in combinations for successful patterns. Pastels go to charcoal, black, brown for chic color combinations.

Gilt is used widely emphasizing a design, as part of the pattern or texture background.

In both roller prints and hand-screened prints abstract designs have made great headway. These are not confusing but offer more air space on background than before. Smaller designs on all modern fabrics lend quiet dignity.

### Cotton Fabric

Cotton is a popular fabric whether sail, chintz, denim or chambray. The how-to-do-it trend is cotton's best booster because of its easy workability and washability. There are attractive nubby-textured cottons such as one new cloth which offers 18 decorator colors, and a soft percale-type cotton, resembling a loosely woven chintz that offers 50 designs in some 300 shades.

In hand-screened prints there are pearl greys and blonde beiges along with the pinks and blues. Strong purple and Chinese blue are used as accents in the spring collection of one manufacturer. Metallic threads brighten a cotton in this group occasionally, although more gilt emphasis is found in the roller print collection.

### Openwork Effect

Casement fabrics in rough linen and rayon content achieve an openwork effect in a combination of linen, rayon and metallic thread of silver and copper.

Fiber glass and nylon are favored for curtains with the fiber glass making a large splash with a new marquisette weave. Lovers of fine lace curtains who are willing to settle for machine-made varieties will find, enchanting patterns in semisheer cotton with a special finish for easy laundering. The delicate floral tracery of one cafe curtain has a lace scalloped border that closely resembles hand embroidery found in imported curtains.

## HEAVY SNOWS HEAD EASTWARD

By THE ASSOCIATED PRESS

A mid-January blizzard whistled across the northern plains from Montana and Wyoming today as the season's coldest weather headed for wide areas in the mid-continent.

Arctic air extended over wide areas of Montana, the Dakotas and parts of Minnesota and Wisconsin today. It headed south and eastward and bone-chilling weather was in prospect for the central part of the country over the weekend.

Temperatures early today were near 30 degrees below zero in parts of the cold belt. Fresh falls of snow were in prospect for many areas. Flurries and light to moderate snow fell today in the northern Midwest states.

The U. S. Weather Bureau in Washington early today issued warning of fresh snowfalls measuring 3 to 6 inches of snow for the area north of Harrisburg, Pa., to Elmira, N.Y., and to the north of Albany, N.Y. Snow also was in prospect for the New York City area.

**Goldfish Bowl Spoils Lake** SALISBURY, Md. (AP) — Last summer, Johnson's Lake here couldn't be used for swimming and boating because a dense vegetation had sprung up strangling the usefulness of the lake. An investigation determined that the vegetation was elodea gigantea, the type commonly found in goldfish and marine gardens. Authorities speculate someone may have emptied a goldfish bowl into the pond, and nature did the rest.

**WATSONVILLE, Calif.** (AP) — "As easy as shooting fish in a rain barrel."

That old wheeze was used by Maurice Perstein, an international counsellor for the Lions Club, in a speech before the local club. Club members hurriedly filled a barrel with water, plopped in a live trout and handed a loaded shotgun to Perstein.

He took careful aim, fired — and missed the fish!

**DINNER ON THE MOVE** — A farmer drives turkeys through a Mexico City street looking for buyers. Between traffic and people eyeing the meat, the poor fowl haven't a chance.

The officers of the Parent Teachers' Association of the Littlestown Joint School System have announced that the soup and sandwich sale held by the PTA on Friday afternoon was a "huge success." Thanks have been extended to all those who helped to make the sale a profitable PTA project.

## April Deadline

(Continued from Page 1)  
should begin right away—give it 90 days, that's 180 days in all. After that, something must be done.

"Our brothers are begging and pleading with us to come and help them."

Twice previously Rhee has set deadlines for the peaceful unification of his country. And while he made no threats Saturday, in the past he has threatened to order his 18 American-equipped divisions to march into Communist-held North Korea.

Originally, Rhee said he would wait until Jan. 2—180 days after the Korean armistice was signed. Later he said he would wait for 90 days after the peace conference began before taking independent action.

**Objective Accomplished?**  
Rhee told newsmen of U.N. countries:

"When your soldiers came here they asked 'What the hell are we fighting for?'"

"If you don't fight here now, they were told, 'you will some day fight in your own back yard.'"

"They were convinced and they died. Have you completed your objectives here now, where American boys will not fight in their own back yards? Is that objective accomplished?"

### "IN HIS HANDS"

Each thing that happens in this life . . . is in the hands of God . . . He is the master of it all . . . He wields the ruling rod . . . no matter if we're rich or poor . . . we all must answer to . . . His slightest wish is our command . . . and we must follow through . . . God holds the destiny of man . . . and it is up to Him . . . to drain joys from the cup of life . . . or fill it to the brim . . . God's hands reach out around the world . . . touching the hearts of men . . . He sometimes gives a barren land . . . to some a fruitful glen . . . whatever comes throughout this life . . . it's all part of God's plan . . . this fact is true and always was . . . yes, since the world began . . . so don't despair when luck is low . . . or troubles plague your breast . . . for you are in the hands of God . . . who does things for the best.

## FRANCE INDUCTS NEW PRESIDENT

PARIS (P)—Rene Coty, a 71-year-old lawmaker from Le Havre, was installed today as new President of the French republic. The outgoing President, Vincent Auriol, told Coty he was taking over at a time when the very "authority of the state, its independence and its efficiency are threatened."

Auriol spoke at ceremonies at the Elysee Palace residence of the French president. Coty, an attorney who has been in French Parliaments since 1923, will make it his home until 1961. He was elected by Parliament on Dec. 23.

Auriol gave this pessimistic picture of France's position in the world today:

"Our economy is only partially at the level of our foreign competitors. Many French families still are waiting for a house and for the possibility of acquiring through their work, a decent existence in a more just and better organized society."

"The French Union is supporting in Indochina a war heavy in sacrifices. In a world still paralyzed by mistrust and fear, France is having difficulty in accomplishing her mission of reason and peace."

## BIRTHS NEAR

(Continued from Page 1)  
three births, all males, in Cumberland Twp.; five births, three males and two females in Straban; a female birth in Freedom and a female birth in Highland.

Deaths in Gettysburg totaled 212, of which 113 were males and 99 females. There were 33 deaths in Cumberland Twp., 16 males and 17 females; six deaths in Straban, five males and one female; three male deaths in Freedom and one female death in Highland.

**Most Babies In September**  
There were 16 still births during the year, compared to 14 in 1952. The stillbirths, eight males and eight females, are counted in both the birth and death columns for the year.

September was the peak month for births during the year and January had the largest number of deaths. There were 106 births in September and 29 deaths in January.

The record on births and deaths per month, with the first figure for births and the second for deaths, follows: January, 83, 29; February, 73, 21; March, 59, 26; April, 78, 21; May, 78, 16; June, 93, 20; July, 78, 24; August, 76, 17; September, 106, 22; October, 76, 19; November, 67, 17; December, 82, 23.

## EMMITSBURG PLANS MINSTREL SHOW FEB. 18-19

The Third Annual Minstrel Show sponsored by the Emmitsburg Memorial Hall Association for the benefit of the Memorial Hall Fund will be held, February 18-19, in the high school auditorium.

The show promises to be one of the best yet produced by the Association with the endman spots carried by Bee Rodgers, Louis Rosensteel, Carlos Englar, Bill Baker, Harry Troxell and others not yet announced.

The chorus will comprise forty to fifty persons with musical roles taken by Richard Frock, Gus Adelsberger and a mixed quartette. The show, featuring Carroll Frock Jr., as interlocutor, will be in total blackface.

Among the musical numbers are "You, You, You," "Changing Partners," "Heart of My Heart," "Answer Me," "My Love," "Dry Bones," and other favorites.

The show is under the direction of Mrs. Robert Daugherty. Music committee includes Jack Wantz and Richard Frock. Other show plans will be announced in the near future.

**VFW Aids Drive**  
The Veterans of Foreign Wars Auxiliary will sponsor a food sale, the "Mother's March of Dimes," and a public card party to raise money for the polio fund. The food sale and Mothers' March will be held January 27 and the card party January 28, both at 8 p.m., in the new VFW annex. The campaign for the polio treasury in Emmitsburg this year is \$2,000.

**Mrs. Bollinger Returns**  
Mrs. Roy Bollinger, E. Main St., returned recently after spending several weeks in Jacksonville, Fla., with her son-in-law and daughter, M/Sgt. and Mrs. Frederick B. Bower, and family.

Miss Phyllis Bower, Durham, N. C., is spending several weeks visiting her parents, Rev. and Mrs. Philip Bower.

## MISS MILLER

dress of flowers and carried a colonial bouquet of mixed flowers. Miss Lucille Barkdoll, Waynesboro, the maid of honor, wore a taffeta gown in a delicate shade of pink with a net overskirt, designed with capped sleeves and a full skirt. She wore white nylon gloves, a headdress of flowers and carried a colonial bouquet of mixed flowers.

Joseph Miller, R. 5, brother of the bride, was the best man and the ushers were Ralph Horne, Chambersburg, and Richard Miller, R. 5, brother of the bride.

**Reception For 150**  
James Redding, Gettysburg, was the ring-bearer, and Miss Joanne Myers, Gettysburg, R. D. a cousin of the bride, was the flower girl. Miss Myers wore a gown of yellow taffeta and a headdress of flowers. She carried a colonial bouquet.

After the wedding a reception was held in the social room of the church for about 150 guests. The bride cut a three-tiered wedding cake. The couple will be at home at their newly-furnished apartment, 27 Steinwehr Ave.

The bride, who was graduated from Gettysburg High School in 1950, is employed at the Letterkenny Ordnance Depot, Chambersburg, as a correspondent clerk-typist.

The groom, who was graduated from the Chambersburg High School, is employed at Letterkenny as a clerk. He is a veteran of World War II during which he served in Australia and Japan. He was in the service for four years.

Out-of-town guests were from Chambersburg, Waynesboro, York, Hanover, East Berlin, Red Lion, Shippensburg and McSherrystown.

## Three More Teachers Fired By Phila. Board

PHILADELPHIA (P)—The board of education has dismissed three more Philadelphia school teachers who refused to say whether they had ever engaged in Communist activities.

That brought the total to six within the past 10 days of the 27 originally suspended on charges of incompetency. The others are under suspension pending hearings.

The three discharged yesterday were Abraham Egnal, 455, a social studies instructor at John Bartram High School; Joseph Ehrenreich, 49, a science teacher at Central High School, and Louis Ivens, 28, a social studies teacher at Stetson Junior High.

Taxes collected, including delinquencies, was \$1,228.54. Auditors list \$143.66 as outstanding at the start of 1954.

Highland purchases during the last year amounted to \$2,292.63 for crushed stone, culvert pipe and concrete.

The 1954 board of supervisors includes: Chairman Roy Walker, Gettysburg, R. 2, and Lorin Keller and Charles McCadden, members, both of Gettysburg, R. 2. McCadden also serves as secretary-treasurer. The new auditors include: Chairman Francis W. Weikert; secretary, Helen Weikert and Joseph P. Bushey, member, all of Gettysburg, R. 2.

## SEN. M'CARTHY UNCOVERS SOME REDS IN MASS.

BOSTON (P)—Some half dozen witnesses were scheduled to appear today before Sen. Joseph McCarthy's traveling investigating committee as the Wisconsin Republican's current probe of suspected communism in Massachusetts enters its second day.

McCarthy hinted last night that the witnesses would be General Electric workers. Ten GE employees testified yesterday at a closed session and McCarthy later told newsmen that four of them invoked the Fifth Amendment when asked questions concerning communism.

Two members of the Harvard University faculty testified at yesterday's public committee hearing. Both admitted being former members of the Communist party but both refused to answer when asked to name their associates in the party.

McCarthy said he planned at "the earliest possible moment" to ask Senate contempt citations against physics Prof. Wendell Furry—a frequent target of the McCarthy probes—and Leon J. Kae

### DIPLOMATIC HOTSPOT

LONDON (P)—Britain has named Roger B. Stevens, former envoy to Sweden, as ambassador to Iran—probably the No. 1 hotspot for a British diplomat.

The London and Tehran governments, long embroiled in a bitter dispute over nationalized British oil holdings in Iran, agreed only recently to resume diplomatic relations.

## Father Carries Son 100 Miles To Doctor

ADEN (P)—Omar Elmi recently walked 100 miles carrying his seven-year-old son on his back, to Hargelsa, capital of the British Somaliland and a hospital there for medical treatment.

The boy had a hip infected with a tropical ulcer. He had been treated three years ago, and the doctor had told Elmi to "bring him back in 3 years for further treatment."

min, a \$3,200 a year research assistant.

The 47-year-old Furry testified that he was one of a half dozen Communist party members who worked on a top secret radar project at the Massachusetts Institute of Technology during World War II. But he flatly declined to name the others.

Prof. Furry, who waived his Fifth Amendment privileges after invoking them at three prior hearings, said he has not been a member of the Communist party since at least March, 1951.

Knute Rockne coached football at Notre Dame for 13 years (1918-1930).

## MARTIAL LAW IN MEXICAN TOWN

CHIHUAHUA, Mexico (P)—Martial law was imposed on one town in the rich mining and agricultural state of Chihuahua today and authorities kept careful watch lest major political violence erupt in the wake of gun battles which have already claimed seven lives.

The trouble started yesterday at Delicias, a cotton growing center of 6,000 population about 260 miles south of Dallas, Tex.

Authorities said 30 members of the opposition party of Gen. Miguel Henriquez Guzman attacked a federal troops barracks. The soldiers returned the fire and five of the attackers were slain. The others scattered in the hills.

Last night two police officers were shot to death at Meoqui, a town 10 miles north of Delicias, when they sought to question a Henriquezista—a member of the party which supported Henriquez in his unsuccessful attempt to defeat Adolfo Ruiz Cortines in the 1952 presidential elections.

**Install X-Ray Machine at Hospital:** Installation of the new Westinghouse Fluorodex X-ray equipment has been completed at the Warner hospital. The installation of the new automatic mechanism at the hospital was described as "another first" for the local institution, giving it x-ray equipment as complete as that found in many larger hospitals. The new machine will be used for diagnostic work while the former x-ray machine will be used for therapeutic treatment. Only hospitals in Lancaster and Harrisburg have similar equipment in this area.**Heads School Bond Campaign:** Miss Marion Biggs, of Orrtanna, a teacher in the High Street school, has been appointed chairman of the "Schools at War" committee of the Women's Division of the county War Finance committee. Mrs. Henry T. Bream, division chairman, has announced.**Urged to "Pop" Question to Save Gasoline:** One of the Adams County ration boards is wondering whether one applicant took its advice.

The applicant asked for a bicycle certificate when all use of gasoline for pleasure was banned.

He explained that he was "courting" a girl and that he had to visit her if he wanted to make a home for himself and his children by a previous marriage.

The board said it could not give the bicycle certificate, but suggested the applicant "pop" the question immediately and save the transportation.

It has never learned how the applicant made out.

**More German Booty Passes Through Town:** More captured German equipment, a tank, troop carrier and two pieces of artillery passed through here enroute to a U. S. Army camp. The booty was loaded on a coal car and a flat car of the Western Maryland Railroad.

Souvenir hunting children, despite "No Trespassing, Keep Away" signs posted on the cars, climbed over and through the equipment, showing particular interest in the tank which apparently had burned after being riddled by shells in some campaign, presumably the North African.

**84, But Goes Back to Job:** S. Frank Wetzel, East Stevens street, celebrated his 84th birthday Saturday, but he is still outworking a number of younger men who tried to take over his job when he retired, but whose failure brought him back to the old job—full time fireman at the Gettysburg college women's division.

The veteran of 36 years of service as a fireman at the Gettysburg Academy buildings, now part of the college, continues to put in a full day—from 4 o'clock in the morning to 4 in the afternoon, shoveling more than a ton of coal a day into the furnace that supplies heat for the women's division buildings, and carrying out the ashes.

**J. Harvey Neely, Dean of Press in County, Dies:** J. Harvey Neely, 66, dean of Adams County newspapermen, died Saturday afternoon at 3:30 o'clock at his home in York Springs. Mr. Neely had been in failing health for several years, but an attack of pneumonia which set in early last week was the immediate cause of death. He began his newspaper work at the age of 16, when he apprenticed himself as a printer at the old Gettysburg Compiler. In 1907 he became the editor of the York Springs Comet. Since 1933 he was editor of The Compiler, the weekly on which he began his newspaper career.**Maroons Take Thriller from Hanover:** In one of the most exciting games played here in many seasons, Gettysburg high school's cagers opened their Southern Pennsylvania League season Friday evening by nosing out Hanover 35 to 34 before the largest crowd of the season.

A foul shot by Gorman with less than 45 seconds of play remaining brought victory to the Maroons after the Nighthawks had set the pace for nearly the entire game.

## Today's Talk

By GEORGE MATTHEW ADAMS

**CALMNESS TO FORGET BURDENS** or the back are far more easy to bear and carry than the mind and heart. If we could only school ourselves to calmly forget and keep moving into an atmosphere of cheer and hope, what a meaning life would always have. Experience has taught us that this is the way to happiness.

We should always have more things to happily remember than unhappy things to forget. Nature is full of memories. The birds return to their homes of yesteryear. The animals have their favorite haunts and know how to find them after long travels away. We all have our sorrows, our memory of bitter experiences, our failures, and regrets, but by calmly forgetting them we step to higher and happier ground.

Good sportsmanship is something that all the world admires. In many of our life contests we sometimes become angered over our losses, but in our calmer moments, we experience how easy it is to forget and remember only that we have learned a valuable lesson—the lesson to be calm even in defeat. No one loses all the time.

When we are away alone with ourselves we think of many things. A procession of events passes through our minds. We think of many things that we have said that we are ashamed of, but in these calmer moments we gain a new appraisal of all that we are and resolve upon a plan to think before we speak, which is something that often takes years to learn, and put into practice.

In the midst of bigness, in a forest, upon the ocean, or merely out in the open, with our eyes centered upon the immensity of the heavens, we are a new personality. Then it is that there comes to us a calmness to forget, and only to remember the multitude of blessings that are ours and of the debt that we owe to our Creator.

## Just Folks

**HOW TO DRIVE**  
If you long would stay alive,  
I can tell you how to drive.  
First: All traffic rules obey;  
Never trust the right of way.  
Never think, by day or night,  
Other drivers will be right.Should somebody want to pass,  
Never step upon the gas;  
Turn aside and let him go.  
What your car can do you know.  
Do not make of it a race.  
To be passed is no disgrace.When you hear a siren sound,  
Clear the way. Don't look around.  
Talk with guests, but it is wise,  
On the road to keep your eyes.  
Signal, turning left or right,  
Watch and heed the traffic light.

## LT. GOVERNOR WOOD CHOSEN AS "HARMONY" GOP CANDIDATE

PHILADELPHIA (AP)—Lt. Gov. Lloyd H. Wood has won endorsement by Pennsylvania Republican leaders as the GOP "harmony" candidate for governor in this fall's campaign.

The selection of the 56-year old Montgomery County attorney-farmer came at an unheralded conference yesterday of eight GOP leaders, including Gov. John S. Pine, National Committee Chairman G. Mason Owlett, State Chairman M. Harvey Taylor, and U.S. Sen. Edward Martin.

U.S. Sen. James H. Duff later added his endorsement to practically wipe out any possibility of a primary fight. Wood has been reported to be the only compromise candidate that Duff would accept.

**Ends Duff Talk**  
"Lloyd Wood is a long-time friend of mine and his candidacy is agreeable to me in every way,"

LLOYD H. WOOD

Duff said in Washington. The action ended talk that Duff might attempt to regain the governor's chair he relinquished to Pine in 1951. The senator had declined to discuss the matter previously. The conferees reportedly polled GOP county leaders throughout the state before announcing the endorsement.

**Leaders Were There**  
In addition to Pine, Owlett, Martin and Taylor, these southeastern county leaders attended yesterday's session in a local hotel: Robert C. Duff of Philadelphia; Fred C. Peters of Montgomery County; John J. McClure of Delaware County; and State Sen. G. Graybill Diehm of Lancaster County.

Three factions developed in the party after Pine split with Duff following their 1950 primary victory over forces headed by Owlett and former Sen. Joseph R. Grundy. Duff had virtually hand-picked Pine, a State Superior Court judge at the time, as his successor.

**Unanimous Choice**  
Wood could not be reached last night for comment. His secretary said he left his office in the state Capitol apparently without knowing of his selection.

Taylor, named spokesman for the group, told reporters after returning to Harrisburg:

"Everyone agreed unanimously on Wood. It was the best political meeting I was ever in. Duff is completely satisfied with Wood—and I'm perfectly satisfied. It was unanimous and everyone was tickled to death about it."

**Pick Woodside**  
Taylor also disclosed that the conferees agreed to endorse Judge Robert E. Woodside of Millersburg, Dauphin County, for a full 10-year term on the Superior Court. Pine appointed his attorney general to a vacancy last year.

"The rest of the ticket will be picked after Wood calls a meeting," Taylor said. "That's up to him now."

There was no decision on a candidate for lieutenant governor.

There was speculation that 54-year old William S. Livengood, Jr., of Somerset, would not be endorsed for a fifth term as secretary of internal affairs. A woman may get the nod.

**Women Ask Place**  
Pennsylvania Republican women have been urging that a member of their sex be chosen for the second spot on the state ticket. But many observers feel that the women have the best chance of gaining the internal affairs secretary nomination. Most prominently mentioned is Mrs. Gay-Belle Dixon of Butler County, president of the Pennsylvania Council of Republican Women.

Also to be elected next fall are two superior court judges. The terms of two Democrats—president Judge Chester H. Rhodes and Judge F. Clair Ross expire this year.

Wood's name had been mentioned prominently for several months as a compromise candidate. Others in that category were Judge Woodside; State Treasurer Weldon B. Heyburn of Concordville, Delaware County; Revenue Secretary Otto F. Messner of Lancaster, and Agriculture Secretary Miles Horst of Lebanon County.

Meanwhile, a short-lived boom for Duff by John U. Shroyer, Shamokin industrialist and former highway secretary, collapsed.

There is one brother combination in the National Hockey League this season. Each plays on a different squad. Johnny Wilson is a member of Detroit Red Wings. Larry Wilson plays for the Chicago Black Hawks.

Cockrell speaks of a letter sent to Joseph Rosensteel, of the National Museum, asking for documentary proof of the date and name of the hotel in Gettysburg where Rommel registered and if he made himself known at the headquarters of the National Park Service.

On the same date a letter was written to Henry M. Scharf, manager of the Hotel Gettysburg, asking for the date between 1936-1938 Rommel was supposed to have registered there. The hotel management could find no evidence of such a registration.

Later, Dr. J. Walter Coleman, superintendent of the Gettysburg National Military Park, wrote to Cockrell:

**Studied Jackson's Plans**  
"Mr. Rosensteel informed me that he learned of General Rommel through officers stationed at Carlisle, Pa., in what was then an Army medical school. Several of them on different occasions asked Mr. Rosensteel if he had met the General or if he had visited the museum, and Mr. Rosensteel replied that the electric map which he operates was not open during the fall of 1938 at the time of the

Cockrell's pamphlet avers "although never on the ground in Virginia, Rommel did study Jackson's campaigns as evidenced by this letter received from a D. S. Freeman." The correspondence reads: "You will be interested to know that I have in my collection a copy of the German edition of Heros von Borcke's 'Memoirs' which Rommel borrowed from the Wurttemberg Military Library and never returned. . . . I think this is one instance where we know Rommel studied our campaigns. I do not believe he ever studied them on the ground."

## GRANDMOTHER IS EXECUTED

COLUMBUS, Ohio (AP)—Dismal winter rain beat against the walls of Ohio Penitentiary last night as a plump, gray-haired grandmother died in the electric chair at 8 p.m. Mrs. Dovie Blanche Dean, 55, convicted of murdering her husband by slipping rat poison into his milk, died silently and with downcast eyes. The state contended she killed him

for his \$27,000 estate. The husband of four months, Hawkins Dean, 68, died at their Clermont County farm near Owensville August 22, 1952.

Mrs. Dean's last request made while in an antechamber to the death house was not granted. She had asked that someone sing her favorite hymn, "What a Friend We Have in Jesus." Instead the Rev. C. W. Wilsher read the requested hymn.

She was the second woman to be executed in Ohio's penal history.

## Cross Perfect Goal Tossing Gives Waynesboro 69-57 Win Over GHS; Jayvees Triumph

A phenomenal shooting exhibition by big Tom Cross, 6-7 Waynesboro center, led the Golden Tornado to a 69-57 victory over the Gettysburg High Warriors here Friday evening in a South Penn League contest.

Cross tabbed 31 points for the evening on 13 field goals and five of nine free tosses. His 13 goals were made on exactly that many shots to add to his eight-for-eight against Chambersburg last Tuesday evening. The big center was fed arching loop passes beneath the hoop by team-mates for easy layups and tap-ins which the locals found powerless to halt, particularly in the first half when he netted 11 of 13 goals. Cross was held to a pair of goals in the last half but then Larry Provand and Carroll Hartle took over efficiently.

It was a nip and tuck affair in the first period when the lead saw-sawed most of the way with Waynesboro finally taking a 20-18 lead at the end of the round.

Bobby Rohrbaugh opened the scoring with a side shot after one minute. Cross, who got seven goals and a foul during the period, netted one from underneath. After six minutes the teams were tied at 13-13. Jay Schmitt put the Warriors on top for the last time on a foul. Cross was good for two goals and a foul. Rohrbaugh hit on a long shot but Cross matched the goal. Schmitt netted two fouls as the round ended.

Midway in the second period Schmitt tied the score at 23-23 but Cross and Hartle landed shots as the Tornado pulled steadily away to lead 32-27 at half time.

**Tornado Roars Ahead**  
Harry Pure's outfit showed a better balanced attack in the third period when Cross was held to but one goal and two fouls. Hartle, Funk and Shade hiked the visitors' margin to 49-32 going into the final session. Gettysburg's tallies came on a pair of goals each by Rohrbaugh and Schmitt and a foul by Paul Ketterman.

Waynesboro held to a safe lead throughout the last quarter as seven Tornado players broke into the scoring. Rohrbaugh connected for four twin-points and Baker added a pair to lead the locals.

Time and again Cross added to his performance on capturing rebounds and halting Warrior shots before they could get underway.

**Warrior Pace-Setters**  
Rohrbaugh landed 19 and Schmitt 8 points to spark the Forney-men. The Warrior Jayvees led all the way to win the preliminary game 40-38 and snap a three-game losing streak but were forced to stand-off a determined Waynesboro rally in the final quarter.

Next Tuesday Gettysburg travels to Mechanicsburg where the varsity will attempt to snap a losing streak of three-in-a-row.

Announcement was made today by authorities at Franklin and Marshall College, Lancaster, that Dick Dunn, 6-3 forward, has withdrawn from school to enter the armed forces. Dunn, a senior, was co-captain of this year's team but had not played this season due to deficiency in grades.

## Lehigh Opposes Bullets Tonight; Prelim at 6:45

Victors in their last four games to up their season record to 7-2, the Gettysburg College cagers will try for their fifth in a row tonight when the strong Lehigh University dribblers will be met on the college floor.

Belying a 5-5 record, Lehigh has one of the strongest Engineer teams in several years. The Engineers forced Temple into three over-times Thursday evening before bowing 64-61. Their height will prove a big handicap to the Bullets.

Johnny Yovicsin's freshmen, 1-2, will meet the Lehigh yearlings in the preliminary at 6:45.

## SANDY SADDLER EASY WINNER OVER BOSSIO

By JACK HAND

NEW YORK (AP)—Sandy Saddler, 130½, the featherweight champ, gave little Billy Bossio, 128, a solid going over last night in his first fight in 22 months.

Saddler stopped Bossio in 2:35 of the ninth round of a non-title go at St. Nicholas Arena after dropping him twice for automatic eight counts in the third and ninth. The second knockdown actually was more of a push than a punch.

Both judges Frank Forbes and Charley Shortell had Sandy pitch an 8-0 shutout going to the ninth and Referee Barney Felix, who stopped it, had Saddler on top 5-3. Felix gave the first, second and eighth to Bossio, a game fighting barkeep from Hartsdale, N.Y.

Bossio, a 5 to 1 underdog, was the people's choice with the crowd of 1,902 who paid \$4,228 to see the nationally televised bout.

Saddler goes to Fort Jay Monday to work out his last 3 months in the Army.

## Stevie Dickson, 5, Is Hard To Convert

PHILADELPHIA (AP)—The Philadelphia Phillies want little Stevie Dickson on their side.

Stevie, 5-year-old son of pitcher Murry Dickson who was traded Wednesday to the Phillies by the Pittsburgh Pirates, was quite upset about the deal.

Said Stevie: "I'm for the Pirates. I've always been for the Pirates. Daddy's for the Pirates. And then some fellow called up and said he'd been sold to the Phillies. I'm really disgusted."

Yesterday, George Fletcher, secretary of the Phillies, made a peace overture. He sent Stevie a Phillies' cap and pennant.

"We need him on our side too," said Fletcher.

## Pro Grid Bowl Game To Attract 35,000

LOS ANGELES (AP)—The 1953 football wars, lopping over just a bit into 1954, finally come to an end tomorrow when the finest professionals of the National Football League engage in the fourth annual Pro Bowl Game in Memorial Coliseum.

The contest, expected to attract upward of 35,000 fans, pits 31 selected players of the Western Conference against a like squad of the Eastern Conference.

It will be televised nationally over the DuMont system, with the Los Angeles area blacked out. The kickoff is slated for 1 p.m. (4 p.m. EST).

PEBBLE BEACH, Calif. (AP)—John Serafin of Fox Hill and John Weitzel of Hershey led the Pennsylvania contingent in the first round of the Bing Crosby Golf Tournament at Pebble Beach yesterday.

Serafin posted a 36-36-72, and Williams a 36-37-73.

Other Pennsylvania scores were Stan Dugas, Shawnee-on-Delaware, 38-40-78; Art Wall Jr., Honesdale, 37-40-77; and Henry Williams, Fleetwood, 41-36-77.

## JR. HI CAGERS DIVIDE GAMES AT WAYNESBORO

Showing a consistent scoring punch in only the third period when they registered a dozen points, the Gettysburg Junior High cagers dropped their second straight decision 22-23 to Waynesboro on the latter's court Friday evening.

Coach Luther Sachs juggled his starting lineup to no avail as the locals got off to a poor start and trailed 15-7 at the end of the first half.

The third period rally cut the Little Tornado margin to 22-19 but in the last frame Waynesboro surged back to widen the gap.

Defensively, the Sachs-men were a bit slow and they still need more hustle to make their offense click. However, their third period performance was their best showing of the season.

The Jayvees squeezed through to a 31-30 triumph in the preliminary. At half time Gettysburg led 13-12.

Ken Keefer accounted for 20 points in leading the way to victory. A Waynesboro player muffed two foul shots in the waning moments which could have turned the tide.

Next Tuesday Mechanicsburg comes here for a pair of contests.

Tuesday's Games

Littletown at Fairfield.  
East Berlin at Boiling Springs.  
York Springs at Newville.  
Biglerville at New Oxford.

Biglerville and Boiling Springs continued in their deadlock for first place in the Adams County League and Fairfield chalked up its first victory of the season in basketball games played Friday evening.

Led by Terry Hutton who hooped 31 points, Biglerville turned back York Springs 71-67 on the latter's floor for its fourth straight triumph. The Cannons led throughout and fought off a rally by York Springs in the final quarter. Lynn Golden rammed through 21 tallies for the losers.

Boiling Springs, defending titlists, had little trouble in winning 67-42 at Littletown. The Bubbler's raced off to a 20-4 lead in the first quarter and at half held a fool-proof lead at 38-7. Barry and Eddie Dasher contributed 28 points between them for the winners while Dean Yealy and Stan Mummet dropped in 29 for the Thunderbolts.

**Fairfield Surprises**  
One of the big surprises of the evening took place on the Hotel Gettysburg Annex floor where Fairfield registered its first victory by upsetting Newville 47-43. The win halted a nine-game losing streak for Coach John McAndrews' outfit.

At half time Fairfield led 33-23 but Newville spurred in the third quarter to make the score close the remainder of the way. Garry Dolly ripped the cords for 18 points to pace the victors while Richie Zeigler led Newville with 12.

East Berlin got off to a slow start and trailed New Oxford 10-8 at the quarter but then came back to outscore its opponents in each succeeding period for a 50-38 decision. The victory kept the Indians but one game back of the co-leaders, Oberlander, Klindinst and McGregor provided the offensive punch for the winners while Hoover and Little each contributed 11 tallies for New Oxford.

**65 Pct. Of Shots**  
Texas clicked on 65 per cent of its shots in the second half to whip Rice 74-66.

California whipped Stanford 83-68. Oregon beat Washington State 75-73 and Oregon State beat Washington 61-49. Seattle, 14th ranking nationally, turned back St. Mary's (Calif.) 73-60 and Southern California edged UCLA 68-65.

Priceton walloped Brown 106-66. Montana upset Utah 76-56 to win its first Skyline Conference game and Bevo Francis popped in 61 points in Rio Grande's 107-77 victory over Alliance.

## U. S. FORCES IN EUROPE ARMED WITH GUIDED ATOMIC SHELLS

By ELTON C. FAY  
WASHINGTON (AP)—The United States is arming its forces in Germany with guided missiles capable of carrying atomic warheads hundreds of miles into Red-held territory.

The Air Force announced tersely last night that it will send two pilotless bomber squadrons to Germany this year. No details were given.

This move seemed to fit into basic U. S. strategy defined by Secretary of State Dulles in a New York speech Tuesday and affirmed by President Eisenhower at his news conference the next day.

**Raises A Question**  
This strategy, Dulles said, is based on "massive retaliatory power" to deter Soviet aggression.

In this connection, the decision to augment the fire power of American forces helping defend Western Europe immediately raised a question:

Would this mean fewer American troops in Europe?

"No, not in itself," Secretary of Defense Charles E. Wilson told reporters yesterday. He didn't say more.

**Have Matador Missiles**  
The two squadrons bound for Germany will be equipped with B61 Matador missiles. These have been in mass production at the Baltimore plant of the Glenn L. Martin Co. for more than a year.

The Air Force did not disclose the number of missiles in a squadron, but it is believed several hundred may be allotted to each. By comparison, a squadron of jet fighters numbers about 25 planes.

The Matador is the first offensive guided missile to be turned over to a tactical unit of the United States armed forces. Other such missiles with greater speed and wider range are being designed or are undergoing tests.

**3-Way Punch**  
When the Matadors arrive, U. S. forces in Europe will pack a three-way atomic punch:

U. S. Air Force jet and piston engine planes that can carry atomic bombs, the giant 280 millimeter atomic cannon, and the guided missiles that could be used to strike at Soviet troop concentrations, supply depots and communications centers hundreds of miles back of the lines, if war came.

## No Fatalities For Reading R.R. In '53

POTTSVILLE, Pa. (AP)—The Reading Co., one of the East's major railroads, has completed its first year without a single employee fatality.

President Joseph A. Fisher said the railroad's safety record also showed only five non-fatal accidents for each million man hours of work.

For the fourth straight year, there were no passenger fatalities, he said. Reading carried more than 54 million passengers last year for a total of more than a billion miles.

## Marilyn And Joe On Secret Honeymoon

HOLLYWOOD (AP)—Marilyn Monroe and Joe DiMaggio were on their honeymoon today but nobody knew where.

They left Paso Robles, about half way from San Francisco, yesterday afternoon after spending their wedding night in a motel there.

Neither did anyone know when Marilyn would return to her studio, where she was suspended 12 days ago when she failed to start work on "Pink Tights."

## Right Tools Play Important Role In Auto Repair Work; 18 Kinds Of Pliers For Cars

BY FREDERICK C. RUSSELL

The biggest handicap to the 1954 cars will be an excess of 1924 driving.

**Pro Has The Advantage**

When I recently sounded off on the high cost of trying to do too many home auto repair jobs I naturally received complaints from those mechanically inclined owners who do not have the magic touch. However, they will have to admit that know-how isn't everything these days. I refer to the need for special equipment, particularly tools. One company is making 18 different kinds of pliers, each designed to do a special job on the average car. It's pretty hard to match this advantage when you want to do a job on the car.

If you have thought of a pair of pliers as being just one of those tools you find kicking around the house, inspection of a good mechanic's tool kit will call for a revision. There are special varieties known as "brake key pliers," gripping or water pump pliers, those with a curved nose, a type for use on brake springs, another for work on ignition parts and those which have an angle nose for battery work.

**Big Help In Diagnosis**

One thing about a low-speed shmy is the fact that it helps us eliminate two important factors which apply when the wheels go into a dance at higher speeds. One is the matter of tire and wheel imbalance. This doesn't show up at speeds under 30 miles per hour. The other is the matter of looseness of the propeller shaft. If universal joints are badly worn the shaft will start whipping at higher car speed, this vibration adversely affecting the front wheels. Among the things which cause shimmy at low as well as high speeds are: underinflation, defective shock absorbers, weak springs and looseness in the steering system.

**The Motor Primer**

Some motorists who hear the term "turning radius" immediately assume this refers to a car's ability to make a U-turn on a narrow street. But it is nothing quite so simple. By "turning radius" a front-end specialist means that part of steering geometry which is concerned with the relative turning position of the front wheels. The front wheels of your car toe-out when going around curves. You may be surprised to know that you drive a higher percentage of the time with the wheels turned off center even though you may think you are driving down a straight lane.

The toe-out needed for turning radius depends on wheelbase, length of the steering arms and

## Ask Mental Test For Dr. Roy K. Marshall

PHILADELPHIA (AP)—U. S. Atty. W. Wilson White has called for a hearing to determine whether Dr. Roy K. Marshall, prominent scientific TV commentator, is mentally competent to stand trial.

A two-month-old indictment charging Marshall with sending obscene letters through the mail to five teen-agers was made public yesterday by U. S. District Judge J. Cullen Ganey.

White, who said Marshall is now a patient in a mental hospital, requested the indictment be impounded last November. Yesterday he moved to have it released after a conference with Justice Department officials.

During the 1953 National League season Richie Asburn of the Phillies hit 169 singles.

## Research To The Rescue

From all indications the motorist public is rather on the gullible side, buying just about anything that is offered for sale and believing in it. In fact, often police and safety officials get taken in.

In recent tests cars were equipped with a certain piece of equipment but in some cases with dummy facsimiles. Drivers went through the same procedures and made their reports. It was found that they were simply imagining certain results, and could hardly believe their ears when they learned that they had been proved to be useless as researchers. In all such matters we have to consider the fact that when a motorist spends his money on special equipment he has his mind pretty well made up to believe he made a good investment.

It's all right in the case of efficiency devices, or polishes or carbon removers. But when it comes to human safety that's a different story. You can't expect closer examination of safety equipment in the near future.

**Grooming For Blackwalls**  
Owners of blackwall tires should take a leaf from the experience of owners of whitewalls and give the rubber a good cleaning now and again. It is surprising how this improves the appearance of the car's underpinning.

**Three-Way Dusting**  
I am indebted to a reader for passing along a useful suggestion to those drivers who wear glasses. He says it was some years before he realized that the glare he was getting from oncoming headlights was greatly magnified by dust on his eyeglasses. So he always does a cleaning job at sundown. I might add that it also pays to wipe off the inside of the windshield. It can quite dusty too.

**Did You Know That?**  
Universal joints are not necessarily worn if there is some play in the propeller shaft, but that this slack should be held to a few thousandths of an inch?

Other things being equal, you can reduce gasoline consumption about 12 per cent by dropping road speed from 60 to 50 mph? It is not advisable to clean fuel filter elements with brushes or solvents as this may result in damaging certain types of flaked off materials that may get into the fuel system? Clean the element in gasoline. If that doesn't do the trick, replace it.

**Rear Axle Made Easy**  
Do you have trouble getting a clear picture of what's wrong with rear end gear mesh if the car develops "drive," "coast" and "float" noises? I'll admit that it isn't easy to carry this in mind, which is one reason why the illustrations in the newest edition of my Car Care book are so helpful. Lines drawn on a typical gear tooth show the different kinds of troublesome contacts such as "flank" and "partial face," or excessive "toe" and "heel" meshing. The chapter on rear axles explains much that can be puzzling if

Q. Just how much can a motorist expect to improve gas mileage by following the rules of skillful operation? I hear this subject tossed about quite a lot these days, but scientific information seems to be lacking. Wm. F. D.

A. You can figure about five miles per gallon, according to one reliable survey.

Q. How often is it necessary to check the brakes? I do not mean just a test of the pedal position and stopping efficiency, but of the entire braking system with wheels removed and everything. J. N.

A. This is hard to say, but I think it would be a good plan to invest in such a check-up every 5,000 miles. Surprised?

Q. I hope you can figure out why the engine of my car is so rough idling. We have done just about everything in the book, but still get that annoying shake whether the engine is cold or hot. K. E. L.

A. Wonder if you have checked to find out if there is a leak between adjacent cylinders due to a defective head gasket. This causes just enough of a mix-up, even if the leak is slight, to affect idling adversely.

Q. What can be done to prevent water from working into the front brakes of my car? This is quite a serious problem when driving in a heavy rain. I have tried using the brakes more, but sometimes the lining becomes so badly soaked

even this doesn't help. I also get a tendency for the brakes to pull to the right or left. J. J. B.

A. I do not know what you can do to keep the water out, but at least you can have installed special brake lining with grooves in it. The effect of this is to help force water out of the brakes again when the shoes come into contact with the drums. This is a new development and one well worth looking into.

Q. The engine of my valve-in-head car is equipped with one of those silencing pads. It has been there several years. Should this be replaced? G. G. McB.

A. Yes, the pad acts something like a filter and is probably pretty well loaded up with gunk that would ordinarily have passed down to the valve and tappets to gum things up.

Q. Universal joints on my car need replacing. Is it necessary to pull the rear axle in order to do this job? J. W.

A. On your car, yes. This is because the joints are enclosed in a torque tube.

Mr. Russell will answer questions regarding the safe care and operation of your car. Just address him at 254 Fern St., West Hartford 7, Conn., and enclose stamped, self-addressed envelope for a personal reply. There is no charge.

## AMATEUR RULE IN TENNIS MAY BE "JUNKED"

NEW YORK (AP)—The United States Lawn Tennis Association went into what could be its most important and progressive meeting in history today.

The delegates were scheduled to scrap the ancient rule that prohibits an amateur player from working for a sporting goods company and hear the appeal of the Tennis Players League to permit it to sponsor a 35-week tournament among the top 10 amateurs in the country. The delegates seemed evenly split on the latter proposal.

When the amateur rule is junked, it will mean the United States will conform to the rules of the International Lawn Tennis Federation, which specifically gives its members permission to work for sporting goods companies. The United States is the last country to come into line.

The Australians are certain to be watching the proceedings with interest, for it will enable the Americans to compete on even terms in their quest to win back the coveted Davis Cup.

## East Berlin

EAST BERLIN — Mr. and Mrs. Chester W. Zeigler, who had been living in York where he was in business, are now residing in the Bigmouth area. Mr. Zeigler is a former East Berlin resident.

Dale Auchey expects to leave the management of the Lerew's Inc. Firestone store February 1. His place will be taken by William H. Lerew, son of Mr. and Mrs. J. Calvin Lerew, who has been assisting there.

Miss Rachel L. Miller visited the State Farm Show at Harrisburg.

Mr. and Mrs. Roy B. Boyer attended a Westinghouse dealers meeting at York.

The infant daughter of Dean E. and June Rahe Oberlander, born January 2, has been named Phyllis Diane.

Plans are progressing for the turkey supper to be given by the Mite Society of Zwilling Reformed church at the church hall February 20 as their annual "Washington's Birthday" event.

The Ladies Auxiliary of Liberty fire company will conduct a scrap paper collection drive Saturday, January 23, the material to be sold for the "new fire hall" fund.

Allen H. Herr, lay worker for the local Church of the Brethren was among recent preachers on a devotional program over a nearby radio station under auspices of the Hanover ministerial society.

No improvement is reported in the condition of Mrs. William G. Ream, Spring Grove R. 3, who has been confined to her home since October and in a serious condition. Mrs. Ream, formerly Miss Teresa Wise, lived here with the late Clara Miller, before her marriage.

Sandra, daughter of Mrs. Donald R. Moul, who had been visiting her mother briefly, has returned to the Red Lion home of her grandparents, Mr. and Mrs. George Mitchell.

Mr. and Mrs. Lester E. Brown were recent hosts to his sister, Mrs. Grace Brown Butt, York, formerly of here.

## Offer Winter Advice On Road Conditions

WASHINGTON (AP)—The American Assn. of Motor Vehicle Administrators offered motorists some midwinter advice today:

1. Very cold ice offers better traction than "warm" ice—that is, ice near the melting point. But conditions on any given road can change fast.

2. Tires with snow treads or similar special winter surfaces give better traction under certain conditions than conventional tires, but no one type can be relied on under all conditions. Chains have wider application, but when they are used "utmost care and slow speed is necessary."

COATESVILLE, Pa. (AP)—Harvey Collins, 73, of Modena, near Coatesville, was killed instantly today when struck by a Pennsylvania Railroad train at the Coatesville station. Collins was walking from one side of the tracks to the other, and was just about to step to the concrete when he was struck by a westbound train.
